

# Cases for data media ProDevice

Cases for data media provide excellent protection and security of stored data. The containers are waterproof and provide good protection against contamination and vibration. Made of high-quality resin.

ProDevice Mobile App. available and included to scan serial number of media and generate automatic reports.

## Benefits

We guarantee safety – the case provides effective protection of transported/stored media.

We ensure comfort – our offer includes cases with a capacity of up to 256 LTO tapes or 52 hard drives.

We provide convenience – GPS system available, allowing you to track location of the case in real time (selected models).

## Why choose the ProDevice case for data media?

- High-quality foam inserts for media segregation.
- Media segregation system ensuring full data protection even when the case is not full.
- A handy handle makes it easier to transport the case.
- Water protection (selected models).
- Two protective locks (selected models).
- Security padlock (selected models).
- Cases for data carriers available: for 3.5' and 2.5' hard drives , LTO, DLT and Super DLT tapes

## Mobile App

Scanning

Creating reports

The ProDevice App was made for users who want to create the full documentation connected with the process of demagnetization, destruction or inventory of data carriers.

The ProDevice case ensures the safety of your stored data. The product (depending on the model) is waterproof and provides good protection against pollution. Additionally, the case is equipped with a special valve that equalizes the pressure created during transport under water or on an airplane. Each ProDevice case for data media is light and resistant to damage. It has two-stage latches.

## Cases for hard drives

Cases for hard drives	External dimensions	Weight	Certificates
Case for 14 HDDs 3,5"	420 x 331 x 173 mm	2.9 kg	IP67, STANAG 4280
Case for 22 HDDs 3,5"	487 x 386 x 185 mm	3.54 kg	Storm, MIL-STD-810F, ATA 300, FED-STD-101C
Case for 40 HDDs 2,5" / SSDs (7mm)	339 x 295 x 152 mm	2 kg	IP67, STANAG 4280
Case for 40 HDDs 2,5" / SSDs (15mm)	420 x 331 x 173 mm	2.9 kg	IP67, STANAG 4280
Case for 52 HDDs 2,5" / SSDs (7mm)	420 x 331 x 173 mm	2.9 kg	IP67, STANAG 4280

## Cases for tapes

Cases for tapes	External dimensions	Weight	Certificates
Case for 5 LTO tapes	335 x 290 x 155 mm	1.90 kg	
Case S for 5 LTO tapes	339 x 295 x 152 mm	2 kg	IP67, STANAG 4280
Case for 14 LTO tapes	405 x 330 x 165 mm	2.38 kg	
Case M for 14 LTO tapes	420 x 331 x 173 mm	2.9 kg	IP67, STANAG 4280
Case L for 26 LTO tapes	487 x 386 x 185 mm	3.54 kg	Storm, MIL-STD-810F, ATA 300, FED-STD-101C
Case for 30 LTO tapes	480 x 385 x 190 mm	3.71 kg	
Case for 40 LTO tapes	480 x 385 x 190 mm	3.71 kg	
Case for 256 LTO tapes	525 x 745 x 458 mm	13.20 kg
